### Tuesday Night Outdoor Shoots

The Tuesday night shooters have moved outdoors. We are shooting metallic silhouette targets with handguns, reduced velocity rifle loads (1500 fps maximum) and 22 rimfires. Please join us.

### Hunters' Safety Courses

We will host two hunter's safety courses this year. The first is scheduled for June 2nd and 3rd, the second for July 7th and 8th. Please call Gerry Wise at (814) 922-3950 to enroll.

### Boy Scouts Shoot for Merit Badges

Recently, 12 boy scouts from Troop 146 used our indoor range to qualify for their rifle merit badges. Using a 22 rifle, each Scout shot 5 shots each at 5 different targets. To qualify, the group on each target needed to be covered by a quarter. Our congratulations to the 8 Boy Scouts that earned their rifle merit badge.

## **Levergun (Lever Action) Silhouette**

### LEVERGUNS - OUR AMERICAN HERITAGE

Bring your Marlins, Winchesters and other lever action rifles and have some great fun shooting down steel animal silhouettes with us on Thursday evenings noted on the calendar as Cowboy Silhouette.

Shoot 5 shots each at: chickens (44 yards), javelina (66 yards), turkeys (84 yards) and rams (105 yards). Fire at the first target until you hit it and then the next 4 in succession.

We'll get started around 6 PM and you can come anytime after that and shoot until dark.

Please note: ammunition must not exceed 1,500 fps to prevent damage to the steel animals.

## **New Lock Combination**

We changed the combination of the gate lock on April 1st.

## **Damage to Target Frames**

Please do not shoot the 2 X 4's or railroad ties on the pistol and rifle ranges.

## **Work Parties**

We hold work parties the first Saturday of every month, April through November (except for July). If you would like to help with range maintenance, please join us at the club at 8:30 AM.

## **Porta-John**

For those of you that are wondering, the porta-john will be pumped out twice per month during the summer months.

## **Newsletters**

If we have your email address, you will get a copy of this newsletter by email also. For future newsletters, we will send only electronic copies where possible. Also, the club website will feature links to newsletters.

## **Membership Night Sponsors**

The following companies and individuals supported our club by donating prizes for our membership night. Please patronize these companies. Thank them for supporting our club.

## **Lost and Found**

Cliff Snyder found a pistol magazine on the range. Please call Cliff at 833-1490 to claim the magazine.
