Term Expires March 2010	John McInchak	833-2867
	Douglas Boldt	870-9079
	Bill Barron	476-7636

Sight-in Days

Fall is here and many people will want to sight in their deer rifles. The WCRC will have sight-in days November 10, 11, 17, 18, 24, and 25. We will start at approximately 9:00 AM and end at 4:00 PM. Members are welcome to use the range on these days. The last four benches on the north side of the range are reserved for members.

WCRC Gun Drawing Tickets

There are ten guns for the WCRC Gun Drawing. Tickets are \$2.00 each or three for \$5.00. It was necessary to raise the ticket price to cover the increase in cost of the guns and membership night.

We will again be able to mail tickets to you with your membership renewal application in February 2008. In order to meet postal regulations, we must include the following statement on the tickets but we would appreciate your donation. *“No purchase necessary to enter. Making a donation will not increase your chances of winning. If all tickets are sold, your odds of winning will be 1 in 1,000.”*

Tickets should be available at the club house during sight-in days. Thank you for supporting this important fund raising activity.

2008 Membership Night

Membership night will be at the Siebenbuerger Club on March 20, 2008. There will be food, door prizes, and the gun drawing. Please join us.

Monthly Meetings

Members are encouraged to attend our monthly meetings. Our next meeting is Nov. 8 @ 7:00 PM. Hope to see you there.

Club Website

The gun club's website is www.walnutcreekrifleclub.com. The club calendar as well as the membership renewal form are available online.

Tuesday Night Shoots

The Tuesday night shoots will move indoors as of October 30th.

Range Maintenance

We do range maintenance the first Saturday of every month, April through November (except for July). We start at 8:30 AM and finish by noon. We can always use help.

Competitive Shooters

We would like to recognize club members that shoot competitively. If you are a competitive shooter or know someone who is, you will be able to tell us by visiting the web page and clicking on the link. We will recognize you (or them) in future newsletters.

ATTENTION - Range Safety

DO NOT SHOOT INTO THE GROUND in front of the rifle range benches. Ricochets can be dangerous!! In addition, please follow the posted range rules.

Also, we ask that all members refrain from shooting the railroad ties and 2X4s on the target frames. Replacing these items costs the club money and makes more work for those that maintain the range.
